Report on the progress of the first public meeting of Mayor Agim Aliu with the citizens, where he reported on his work, for the first six months of 2023 as well as the Medium-Term Budgetary Framework (MTBF) 2024-2026

June 2023

Introduction

The preparation of the report was also based on Article 9 point 2 of Administrative Instruction (MLGA) No. 06/2018 on Minimum Standards of Public Consultation in Municipalities. In this report you can find data from the holding of the public meeting and the way of receiving the request from the citizens (physical form, electronic one and in the direct meeting).

On **30.05.2023**, in accordance with the legal deadlines, notices were published on the official website of the municipality, on the public consultation platform and on the Facebook social network.

On the website:

<https://kk.rks-gov.net/ferizaj/ep-content/uploads/sites/31/2023/05/Scan-njoftimi-shqip-kryetari.pdf>

On Facebook:

<https://www.facebook.com/photo/?fbid=638314611672333&set=a.298472858989845>

On the platform:

<https://konsultimet.rks-gov.net/Storage/Meetings/11-10-34-30052023/Scan-njoftimi-shqip-kryetari.pdf>

On **16.06.2023**, the meeting was held in this website: <https://kk.rks-gov.net/ferizaj/news/kryetari-aliu-bashke-me-qytetaret-diskutoi-per-punen-te-arriturat-challenges-and-projects-in-the-first-six-months-of-this-year-but-also-for-the-medium-term-budgetary-framework-2024-2026/>, you can find the news about holding the meeting.

- On 19.06.2023 , the minutes of the public meeting were published, published on this page:

The announcement was made public on the municipality's official website and public consultation platform as well as on the Facebook social network from 30.06.2023 to 16.06.2023, while comments were accepted until 16.06.2023.

Through the electronic form in the emails of the officials responsible for receiving comments, no comments were received in electronic form from the citizens, no comments were received in physical form either, while only a few comments were received during the public meeting.

Short data table:

Consultation methods	Date / Duration	Number of participants	The number of those who have given comments, requests / suggestions	Number of requests received
1-Direct meeting with citizens for the six-month work report and discussion for KAB 2024-2026	16.06.2023 2 hours and 30 minutes	F M T 18 57 75	22	

Appendix - Detailed table with information on requests granted, justifications for accepted and rejected requests.

No.	Requests / Suggestions / Comments	Who gave a request / suggestion for Project-Plan of work of the Mayor of the Municipality for the year 2023	Reasoning (comment for partial acceptance and non-acceptance of comments is mandatory)

1	<p>The representative of the village of Tërrn thanked Mayor Aliu for all the investments made, while he requested for the urban transport to be available all the time in this village, because the bus transport stops at the end of the school year.</p>	Nazmi Musliu (Tern village)	<p>The municipality of Ferizaj, namely the Directorate of Public Services is drafting the mobility plan for the municipality of Ferizaj. We will commit to making maximum efforts so that this problem also has a solution during the summer season.</p>
2	<p>- To make a solution for drinking water, because the number of residents has increased.</p> <p>- To fix the park, the sewerage that passes through the village, as well as fix the sports field.</p>	Njazi Behluli (Talinovc village)	<p>This request is also from last year's budget hearings, and we have seriously considered this request and it is expected that it will be implemented this year.</p> <p>Meanwhile, the other requests have been accepted and the budget possibilities will be examined, but we are waiting for the arrival of the second budget circular to look concretely at what can be done.</p>
3.	<p>- Why hasn't the construction of the FMC started before this year?</p> <p>- Within the framework of MTBF, these projects for paving the roads of gravel fields, building sidewalks and cleaning rivers are also included.</p>	Sadik Qerimi (Koshare Village)	<p>For the village of Koshare, a new project for asphaltting the roads has been announced for the year, as well as for MTBF.</p>
4.	<p>To fix the road from the Jezerc village school to the neighborhood of Maqiteve.</p>	Muharrem Guta (Jezerc village)	<p>It has been planned to work on the road of Jezerc road this year.</p>
5.	<p>- In the village of Sojeve, it has been requested that the remaining alleys be paved.</p> <p>- Regulation of sidewalks</p> <p>- Public lighting where it is missing</p>	Sylejman Sylja (Sojeve Village)	<p>The roads of Sojeve village have been contracted, as well as the lighting and sewerage, during the maintenance contract, the maintenance of the sidewalks will be done continuously.</p>

	<ul style="list-style-type: none"> - Sewerage of some neighborhoods - Gravel paving of farm roads 		
6.	<ul style="list-style-type: none"> - "Avonet" has requested to increase the number of inspections for environmental pollutants - Planting decorative trees along the streets of the city, - The special budget is allocated to the school council - The call for the distribution of subsidies should be made only for young people and NGOs should not be included - To make a permanent solution for fixing the wells - To make the arrangement of sidewalks in collective housing in the city. 	Kenan Gashi NGO (Avonet)	<p>The municipal inspectors are in the field all the time and are doing their best to have an environment as clean as possible. Every day they are also giving different fines to all environmental polluters.</p> <p>The request has been incorporated into the MTBF 2024-2026.</p> <p>Some sidewalks have been fixed, and some are included with the city's alley projects.</p>
7.	<ul style="list-style-type: none"> - To fix the roundabout that connects Muhovc - Saraishita and Ferizaj, - To widen the main road, - To improve the situation with drinking water - Renovate the school inside, - To asphalt the remaining roads of the village, - Make sidewalks in the village, 	Rrahim Neziri (Muhovc village)	<p>The district and the road are foreseen in the budget of the infrastructure directorate, also the increase of the capacity of drinking water in the reservoir of the Liria park, where the village of Muhovc was destroyed.</p>

	<ul style="list-style-type: none"> - The municipality should undertake something concrete regarding the construction of villas in this village, which have become numerous - To remove the animal market and the dog shelter from the village of Muhovc. 		
8.	<ul style="list-style-type: none"> - Regulation of pavements in the city -Something concrete should be done so that these sidewalks are not blocked by parking lots because of the problems that she has as a mother with a small child and she has a problem crossing with a stroller. - To create more public kindergartens for children, because the number of children in public kindergartens is very large. 	Dashurije Ahmeti (Ferizaj)	
9.	- The association "Handikos" has asked for more support for social services, as they have been foreseen in the Plan that they have made during these days together with municipal officials and members of the Assembly.	Enver Kosumi (HANDIKOS organization)	
10.	-To help pay the monthly rent for a house, or to make a concrete solution for housing. She is from the Ashkali community.	Hyrishahe Berisha (Ferizaj rr. Halit Ibishi)	

11.	- At the entrance to the village of Dubrave, obstacles should be placed on the road, due to the speed of cars in this village	Gyltene Osmani (Non-governmental organization KOISNT")	
12.	- Completion of roads and alleys in Jezerc, - To arrange the tombstone and finish the points in Jezerc, - To renovate the Castle through the Ministry, - To arrange the veterans' cemeteries in the village of Jezerc - How to fix the Saraiste - Muhovc sidewalk and the roundabout at the entrance and exit of Saraiste village.	Elbasan Osmani (Member of the Municipal Assambly)	The road in the village of Jezerc is being paved.
13.	- To fix the road from Kosina to Llojza - Something concrete should also be done for the roads that have been damaged by the regulation of the railway, - To arrange the torture, and a minipark in the village of Kosina.	Arsim Aliu (Kosine)	Kosinw Street - The previous type is widened, also the road in the village.
14.	- To build the house due to the severe conditions it has.	Haxhi Hasani (Dubrave)	We will look at the possibilities that, in cooperation with the "Jetimet e Ballkanit", association, if you have property, you can look at the possibilities for building a house.
15.	- To fix the sidewalks, - To arrange the alleys - Place some obstacles on the road near the school.	Abedin Ramadani (Softaj village)	The roads in Softaj village have been contracted and the works are expected to start very soon.
16.	- To fix the sewerage network that comes from	Milot Soejva- (Sojeve village)	The roads of the village of Sojevë have been contracted, as well as lighting and sewerage.

	the village of Pojatë to the Boonstell camp, -To return to the previous state of the pavement on "Sejdi Sejdiu" street in Ferizaj, after the damage done by different companies.		There are road maintenance counters and the possibilities for fixing the sidewalks in this part of the city will be examined.
17.	-To make a complete arrangement of roads and sidewalks in the village	Ali Maliqi (Rahovicë village)	They are foreseen in MTBF
18.	To fix the sidewalk that connects the two villages.	Sabedin Mustafa (Pleshinë e Ulët village)	The reconstruction of the main road Ferizaj - Pleshinw was contracted, also in MTBF.
19.	- To make a plant for the sewage network coming from Sojeva and Mirosala, - Building small football fields, - The project of the Ministry should be done at the FMC of the village and from there the market should be removed as well as the roads of the fields should be paved with gravel.	Fadil Halili (village Dardani)	The field was foreseen in MTBF, also the road, while the plant must be included with the central level.
20.	- To renovate the shelter center in this village where many families live in very difficult conditions.	Sabit Avdiu (Dubrave Village)	At the moment this request nyk can be predicted in MTBF. We will look at the possibilities of cooperation with any interested parties for the renovation of that center.
21.	- To start building of the roads in this village.	Skender Mehmeti (Komogllava village)	They have been contracted, also currently it is being worked on.
22.	- To fix the alleys - To fix the roof of the school	Naim Matoshi - (Nikadin)	The alleys are foreseen.

NOTIFICATION

Public meeting with citizens

All citizens of the Municipality of Ferizaj, interest groups and other interested parties are notified that the Mayor of the Municipality, Mr. Agim Aliu holds the first public meeting with the citizens where he will report on his work, for the first six months of 2023.

The public meeting will be held on June 16, 2023 (Friday) starting at 10:00 a.m. in the Assembly Hall of the Municipality of Ferizaj.

In this meeting, the citizens will have the opportunity to be closely informed about the work of the first six months of this year (January-June 2023), the current developments in the Municipality as well as the plans for the future.

In this meeting, the present citizens will also discuss the Medium-Term Budget Framework (MBF) 2024-2026.

After the presentation of the report by the Mayor of the Municipality, citizens can also submit their questions to the Mayor, but also to the directors of the municipal directorates.

Be part of the decision-making!

With respect,
